BRIEF ABSTRACT OF LETTER.

Solicits orders in the matter of granting leave to Govt. Official for studying for academical Examinations.

NOTES AND ORDERS.

Submitted for orders.

As the Govt. order reads at present, it does not seem to apply to the cases of officials applying for leave to ~~for temporary~~ study for examinations, whatever the nature of

~~such~~ the examinations may be. It does not also seem desirable to extend the prohibition ~~as~~ to cases of the kind referred ~~to~~ by the Dy Comr. It is one thing to prohibit officials from taking leave for ~~the purpose of~~ practising at the bar or carrying on any other profession or calling, and quite another to refuse leave for purposes of study. In the latter case the object of ~~which~~ the official often may not be to give up service after passing the exam ~~and~~ but only to improve his qualifications and better his prospects in the service. There is nothing objectionable in this, and in the int of the service also, it appears ~~is~~ desirable to ~~no~~ give facilities ~~to officials~~ in such cases. It may for these reasons be declared that the G.O. does not ~~refer~~ apply to ~~the~~ cases of the kind in question

Dated, Kolar, 3rd July 1911.

Deputy Commissioner, Kolar District.

To

C.S. Balasundaram Iyer, Esq. B.A.

Offg. Secretary to the Government of His

Highness the Maharaja of Mysore,

General & Revenue Departments.

Sir,

With reference to Government Proceedings No. G.6024-73/G.4. 191-10-1 dated the 20th April 1911, prohibiting Government servants from taking leave for practice as lawyers or pursuing any other profession etc, I have the honor to state that since the receipt of the said Proceedings many of the officials who applied for leave for studying for the Law, Arts and other Academical Examinations. The first portion of the Proceedings specifically mentions the pursuits for which leave should not be granted, and the latter portion of it recapitulates not only such pursuits but also includes the term 'Calling' which creates a doubt whether leave for studying can be granted as the word 'Calling' means also 'Occupation' and Students' life is an 'Occupation'.

2. I know there is an absolute prohibition by Madras Government to Secretariat officials joining the Law College, as the inconvenience to Public Service by grant of long leave for studying for Academical Examinations is really far greater than if it were granted for practising at the Bar etc, for short or specified periods, at the end of which we might once for all either refuse or grant further extensions, whilst in

case of a student, failures at examinations would mean extensions of leave from time to time, and after passing the examinations, the officials may never return to duty at all. And there is also the general provision of leave Rules (vide Art. 132(a). Mysore Service Regulations) which do not provide for the grant of any kind of leave unless it can be without detriment or inconvenience to Public Service.

3. [redacted], individual cases of hardship may arise, and there may be few people whose sole desire may be to qualify themselves by passing more examinations, and such cases may perhaps be covered by one of the "exceptional circumstances" referred to in the Proceedings. I have therefore to solicit instructions whether leave without allowances to study for Academical examinations may generally be granted or not.

4. As the several Colleges for the current term open on the 15th instant, and as the leave without allowances applied for by the officials have either to be granted or not before then, I request that you may be so good as to obtain early orders in the matter.

I have the honor to be,

Sir,

Your most obedient servant,

Sd/- Shikaripur
